

2004 RIDESHARE PROGRAM UPDATE REPORT

The Rideshare Regulation, 310 CMR 7.16 (5) requires facilities to provide updated data on how their applicable commuters¹ commute to work. Facilities that are filing an annual update of their base report must fill out this form.

A.	Facility Information	Contact Person: Telephone: ()						
	Facility Name							
	Facility Street Address ² City/Town	State Zip Code						
	Mailing Address (if different from above)							
В.	Facility Applicability and Sections of Form to Co	omplete See Guidance on Complying with the Rideshare						
	1. Facility Applicability. Provide the numbers required below:	Regulation for help with this section.						
	Total number of commuters: Total number of application	ble commuters:						
	2. Sections of Form to Complete . See the information below to o	letermine which sections of the form you must complete.						
	Non-Educational Facilities	Sections of Form to Complete						
	◆ Facilities with 249 or less applicable commuters.	Sign Section I and submit this form to DEP.						
	◆ Facilities with a DEP Operating Permit and 250 or more applicable commuters	e Complete and submit this entire form to DEP.						
	 ◆ Facilities <u>without</u> a DEP Operating Permit Program and 250 to 99 applicable commuters 	DEP will phase in your facility in the future. Sign Section I and submit this form to DEP. You may also complete the entire form and submit it.						
	◆ Facilities <u>without</u> a DEP Operating Permit Program and 1,000 or more applicable commuters	Complete and submit this entire form to DEP. Sections of Form to Complete						
	Educational Facilities							
	◆ Facilities with 999 or less applicable commuters	Sign Section I and submit this form to DEP.						
	♦ Facilities with 1,000 or more applicable commuters	Complete and submit this entire form to DEP.						
C.	Summary Information on Commute Data Collect	ion Method						
	Commute Data Collection Week. Select one week to collect commute data and indicate the dates that your facility collect the data: Fromto							
2. Total Number of Applicable Trips. Calculate the total number of possible trips:								
	# Work Days in Data Collection Week xTotal #	Applicable Commuters ³ =						
	Total Number of Possible Trips by Appl	cable Commuters						

¹ "Applicable commuters" refers to <u>applicable employees</u> at the facility. For educational facilities, "applicable commuters" refers to both <u>applicable employees</u> and <u>applicable students</u>.

Please attach a list of all building locations within a one mile radius.

Facilities using the Random Sample method, enter the number of applicable commuters in your sample size.

Massachusetts Department of Environmental Protection Rideshare Program, 310 CMR 7.16 2004 RIDESHARE PROGRAM UPDATE REPORT

3.		nmute Data Collection Method. See <i>Guidance on Collecting Commute Data</i> for a detailed description of each survey hod. Please check ☑ the commute data collection method your facility used:								
	□ Ce	nsus Survey (your facility distributed surveys to all applicable commuters)								
	□ Ra	ndom Sample Survey (your facility distributed surveys to a randomly selected sample of applicable commuters)								
		rect Count (your facility counted applicable commuter vehicles arriving and exiting parking lots and all means of collecting mmute data)								
1.	Description of Commute Data Collection Method . In the chart below, check ☑ how your facility collected data on applicable commuter commute trips.									
	Ce	ensus & Random Sample Survey Methods ONLY.								
	a.	Notification of Survey . Check ☑ the actions your facility took to notify applicable commuters about the commute survey before distributing it:								
		□ Facility sent e-mails or posted notices about the upcoming commute survey □ Facility published an article in a newsletter about the upcoming commute survey □ Facility sent a letter from the president, chief executive officer about the upcoming commute survey □ Other:								
	b.	Distribution of Survey . Check ☑ the actions your facility took to distribute the survey to applicable commuters:								
		□ Facility distributed the survey directly through e-mail □ Facility distributed the survey at meetings □ Facility distributed the survey through supervisors, managerial staff, or department coordinators □ Facility distributed the survey with paychecks or other notices □ Facility distributed the survey at rideshare informational or promotional tables □ Other:								
	C.	Collection of Survey . Check ☑ the actions your facility took to collect the survey from applicable commuters:								
		 □ Facility collected surveys directly, through e-mail or at meetings □ Facility collected surveys through supervisors, managerial staff, or department coordinators □ Facility collected the survey with timesheets or other documents □ Facility posted notices or sent e-mails reminding commuters to return surveys □ Other: 								
		Survey Form. Did your facility use a survey form other than the enclosed commute survey forms to obtain the commute data? ☐ Yes ☐ No ☐ If Yes, please attach the survey to this report and submit it to DEP.								
	Ra	andom Sample Survey Method ONLY.								
		Sampling Parameters. If your facility conducts a random sample, you must use the DEP method in the <i>Guidance</i> on <i>Collecting Commute Data</i> . Please provide the:								
		Number of applicable commuters your facility was required to sample Sample skip interval Sample's random number start								

2004 RIDESHARE PROGRAM UPDATE REPORT

Direct Count Method ONLY.						
a. Data Review. If your facility conducts a direct count, you must be able to distinguish between vehicles belonging to applicable commuters and vehicles belonging to non-applicable commuters and visitors. Please check ☑ if your facility counted the:						
 Number of applicable vehicles entering parking lot(s) Number of parked applicable vehicles in parking lot(s) Number of vehicles at the facility registered in a database Number of transit passes distributed to or purchased by applicable commuters Number of carpool or vanpool vehicles in preferential parking spaces Number of bicycles parked in bicycle parking racks or bicycle storage facilities Number of walkers Other: 						

- 5. **Commute Data Collection Method Response Rate.** Please provide the response rate your facility obtained with its commute data collection method. Count only those surveys completed by *applicable* commuters. Please refer to *Guidance on Collecting Commute Data* for details on the minimum response rate for each method.
 - a. Census Survey Method.

	# of Applicable Commuters Responding to Survey	_	Total # of Applicable Commuters at Facility	_			Census Survey Response Rate
		÷		X	100	=	%
b.	Random Sample Survey Meth	od.					
	# of Applicable Commuters in Sample Responding to Survey	_	Total # of Applicable Commuters in Sample				Random Sample Survey Response Rate
		÷		X	100	=	%
C.	Direct Count Method.						
	# of Applicable Commuters on Whom Collected Data		Total # of Applicable Commuters at Facility				Direct Count Response Rate
		÷	•	X	100	=	%

D. Summary of Commute Data (SCD) Forms

Use the table below to determine the *Summary of Commute Data Form* (SCD) your facility must complete based on your commute data collection method, response rate, and how your facility wants to account for whom you did not collect commute data (*non-respondents*). You must submit your SCD form to DEP with this report.

If you used the	And you obtai	ined commute data from	Count non-respondents as	And complete		
Census Survey or	<u>></u> 90% of your ap	oplicable commuters	No action required.	SCD Form 1 SCD Form 2		
Direct Count	≥ 75% but < 90%	6 of your applicable commuters	Commuting in the same proportion of modes as responding applicable commuters			
	≥ 50% but < 75% of your applicable commuters and	your facility opts to implement one additional trip reduction incentive (in addition to those incentives required by 310 CMR 7.16(1)).	Commuting in the same proportion of modes as responding applicable commuters	SCD Form 2		
	and	your facility opts NOT to implement an additional trip reduction incentive.	Generating drive-alone trips	SCD Form 3		
Random Sample	All applicable cor	mmuters in your sample	No action required	SCD Form 4		
Survey	<u>></u> 90% of the app	olicable commuters in your sample	Generating drive-alone trips	SCD Form 4		

2004 RIDESHARE PROGRAM UPDATE REPORT

E. Implementation, Publicity, and Maintenance of Trip Reduction Incentives

- 1. **Status of Trip Reduction Incentives**. In the table below, check ☑ which incentives your facility currently <u>implements</u>, <u>publicizes</u>, <u>and maintains</u>. Estimate the number of trip reductions that have been achieved, if any, since the facility filed its base report. The table lists the incentives that are required by 310 CMR 7.16(1).
 - All facilities must offer trip reduction incentives a, b and c.
 - ◆ Facilities that are located within one mile of public transit must <u>also</u> offer trip reduction incentives d, e and f. Is your facility located within one mile of public transit? Yes □ No □
 - Facilities with 1000 or more applicable commuters must <u>also</u> offer trip reduction incentive g.
 Does your facility have 1000 or more applicable commuters? Yes □ No □

Required Trip Reduction Incentive Does your factor currently improved incentive?		•	Does your facility currently publicize this incentive?		Does your facility currently maintain this incentive?			Estimated number of drive-alone commute trip (DACT) reductions achieved from incentive(s) since filing your Base Report, if any.1
a. Conduct carpool matching	Yes ☐ No ☐		Yes □ No □		Yes □ N	No 🗆		
b. Designate preferential parking for carpools (and vanpools, if required)	Yes 🗖 No 🗖		Yes 🗆 No 🗅		Yes □ N	No 🗖		
c. Establish bicycling incentives	Yes ☐ No ☐		Yes ☐ No ☐		Yes □ N	No 🗆		
d. Provide transit passes	Yes 🗆 No 🗅 N	√A □	Yes □ No □	N/A □	Yes □ N	No 🗆 N/A	\ □	
e. Post bus schedules, rates and routes	Yes □ No □ N	N/A □	Yes 🗆 No 🗅	N/A □	Yes □ N	No 🗖 N/A	. 🗆	
f. Negotiate with bus providers	Yes □ No □ N	√A □	Yes □ No □	N/A □	Yes □ N	No 🗆 N/A	. 🗆	
g. Conduct vanpool matching	Yes □ No □ N	N/A □	Yes □ No □	N/A □	Yes □ N	No 🗆 N/A	\ □	
h. Other:	Yes 🗆 No 🗅 N	N/A □	Yes ☐ No ☐		Yes □ N	No 🗖 N/A	. 🗆	
		Total # of Trip Reductions Achieved Since Filing Baseline Report. This should equal the "# DACT Reductions" in Section G, #1.						

F. Description of Trip Reduction Incentives

1. Description of Implementation, Publicity, and Maintenance of Trip Reduction Incentives Required by 310 CMR 7.16(1).
Please attach to this form a detailed description of how each incentive has been or will be implemented, publicized, and maintained.
Any incentives not yet implemented must be implemented within 30 days of submitting this form to the DEP Rideshare Program.
Attach to this form a detailed description of how and when each incentive will be implemented.

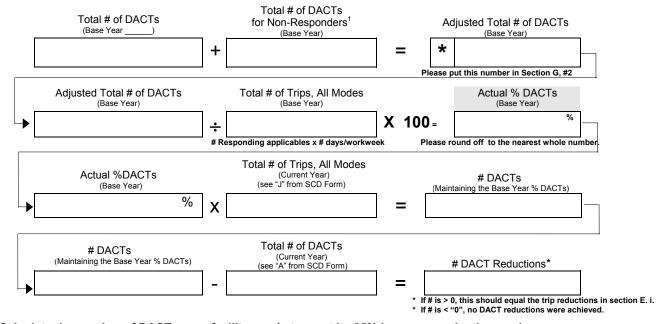

¹ Provide an estimate of the *increase* of non-DACTs since your facility's base year. Please note that this is *not* the total number of current non- DACT trips.

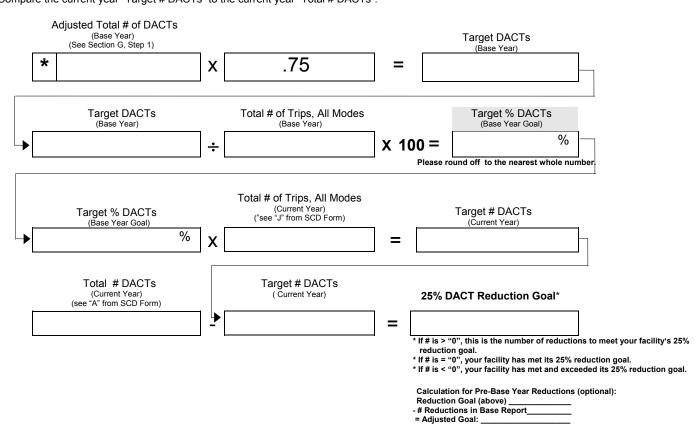

2004 RIDESHARE PROGRAM UPDATE REPORT

G. Current Year Reductions of Drive-Alone Commute Trips (DACTs)

Calculate the DACT reductions at your facility since the base year. This calculation accounts for any employment number changes
at your facility and compares the percentage of DACTs in the current year to the percentage of DACTs in the base year. Use your facility's base
year report survey data and current year survey data located on your Summary of Commute Data Form (SCD).

Calculate the number of DACTs your facility needs to meet its 25% base year reduction goal.
 Compare the current year "Target # DACTs" to the current year "Total # DACTs".

¹ Facilities with 1995-1997 base reports, enter "0". Facilities with 2001- 2003 base reports and Summary Forms 1 or 2, enter "0".

2004 RIDESHARE PROGRAM UPDATE REPORT

H. Rideshare Program Cost Data (Optional)

Please write below or attach estimated costs for the start-up implementation, publicity, and maintenance of each required trip reduction incentive.
